

## **Resurgent ESG Services Private Limited Assigns ESG Rating to PNB Housing Finance**

- *PNB Housing Finance has been assigned an ESG score of **82.10** by Resurgent ESG Services, a subsidiary of Resurgent India Limited.*
- *The rating was conducted using Resurgent ESG's proprietary framework, combining data and direct engagement.*
- *The rating recognizes PNB Housing Finance's ongoing efforts to enhance its ESG practices.*

**Delhi/NCR, September 3, 2026** - **Resurgent ESG Services Private Limited** (Resurgent ESG), a wholly owned subsidiary of Resurgent India Limited and a SEBI-registered Category-II ESG Rating Provider (ERP), has assigned an ESG rating to PNB Housing Finance. The ESG score assigned to the **PNB Housing Finance based on data for the FY 2025-2026 stands at 82.10, which corresponds to an ESG Rating of A+, placing the company within the 'Leader' category.**

**Demonstrating sustained ESG excellence, PNB Housing Finance has maintained an A+ ESG rating for the 2<sup>nd</sup> consecutive year.**

PNB Housing Finance, one of the country's leading deposit taking housing finance company, has been evaluated through Resurgent ESG's rigorous and comprehensive ESG assessment framework. The rating reflects the company's current ESG profile, capturing the environmental and social impact of its housing finance business, as well as the strength of its governance practices in supporting responsible, transparent, and inclusive access to housing finance.

Commenting on the importance of ESG ratings, **Mr. Sanjeet Kumar, Director, Resurgent ESG Services Pvt. Ltd.**, said, *"ESG ratings are becoming increasingly important for businesses as they influence investor confidence, strengthen brand reputation, and demonstrate a company's preparedness to meet evolving regulatory expectations, including SEBI's BRSR framework. For, companies, strong ESG performance is not just about meeting compliance requirements. It reflects sound ESG management, responsible lending, stronger customer trust, and a long-term commitment towards sustainable and inclusive growth. Ultimately, ESG is about building resilient and future-ready institutions that can create sustainable value for all stakeholders."*

Resurgent ESG's rating methodology goes beyond publicly available disclosures, incorporating direct engagement with key stakeholders within the rated entity. This approach ensures that the ratings consider both quantitative and qualitative factors, providing investors and market participants with a reliable view of the entity's sustainability profile and future outlook.
